DESCRIPTION

The eGENTIC database offers marketers big quantities of fresh and accurate Swss consumer prospects. The data collected at the point of registration includes name and full postal address, telephone number and age. With over 5,000 new Swiss records being added per month, this is the prime opportunity to tap a valuable data stream for direct mail, email or telephone marketing. The eGENTIC Switzerland file works well for publishers, finance, telcos and a range of mail-order offers.
